

# Games of Chance: When and where is a permit needed?

For games of chance trade promotion lotteries, you need a permit in:

NSW	ACT	SA	NT	WA
To run promotions over the value of \$10,000 in NSW, a promoter must hold an authority. Individual Ts&Cs must then be submitted under that authority	Always for promotions where the prize pool exceeds \$3,000	Always for promotions with an instant win element, regardless of prize value. And, for draw-based promotions where the total prize pool exceeds \$5,000	Always for promotions where the prize pool exceeds \$5,000 and no other authority has issued a permit	No need to apply for a permit, however for promotions conducted by audio, visual or electronic media, the Ts&Cs must be lodged with the WA authority
